**User Guide for Vendors**

# What is JCCS NG?

---

The **Joint Contingency Contracting System (JCCS)** is a system that was created in 2006 to help US contract office personnel locate vendors overseas to contract with for US government contracts.

- Centralized repository of vendors by region
- CAGE Code validation and referral
- Vendor Review
- Tooltips ⓘ to support users
- Flexible user management tools, so one person might manage multiple companies, or multiple people might work together on a single company.
- Internal Message Wall
- Account Status Indicators
- Solicitation feed from SAM and from local contract officers advertising available work.

# Registration Process

---

1. The upcoming slides will guide you through the JCCS registration process.
2. Enter your user profile information.
3. Enter your company profile information.
4. Verify your email address.
5. Once you have a CAGE code and have verified your email address, your account will be active and visible to all authorized US personnel.

Your account **will not be reviewed automatically**. If a member of a contract office wants to consider you for an award, *then* they will review your JCCS account and submit you for approval. Only a member of a contract office can submit your account for approval. The JCCS helpdesk cannot review your account or tell you its status.

# Report Bugs and Issues

---

- 1. Report!** While the JCCS team has done their best to test and release a smooth, functional system, it is inevitable that you will encounter issues that may be related to your local network, your browser, or something that for whatever reason we simply didn't catch. Please report these issues to us! The only way we can make the site better is if you report the bugs and glitches you encounter.
- 2. Continued Development:** We will continue to update JCCS NG to add new features and improve old ones. Pay attention to site announcements and alerts so you will be aware of upcoming patches and downtime.
- 3. Submit a Ticket:** If something isn't working, or you have any questions about the JCCS website, please submit a helpdesk ticket at:  
[https://www.jccs.gov/olvr/JCXSHelpdesk/helpdesk\\_newticket.aspx](https://www.jccs.gov/olvr/JCXSHelpdesk/helpdesk_newticket.aspx)
