3in1 AND I MEF

The 3in1 team will support the I Marine Expeditionary Forces (MEF) with direct onsite support as they make their first 3in1 micro-purchases located throughout the PACOM AOR. The team in conjunction with Marine leadership will also develop the "Marine 3in1 SOPs". Upon completion of the purchases with the I MEF, the 3in1 tool will be successfully deployed in each of the 4 services and have orders uploaded into the 3in1 tool system.

3in1 AND 413th CSB

The 3in1 team successfully trained soldiers of the 413th Contracting Support Brigade at Schofield Barracks Hawaii. There were 3 teams the Hawaii, Japan, Alaska Teams. The various teams support different contingency/humanitarian missions through out the world.

FIRST SERVICE WIDE 3in1 TRAINING: AIR FORCE

The 3in1 Project Management Office (PMO) teamed with the USAF to field the 3in1 to the their Contracting community. The 3in1 PMO developed the Train-the-Trainer curriculum in preparation for the first service fielding of 3in1 Training. The 3in1 PMO provided three Subject Matter Expert (SME) to train 52 Contracting Officers at Lackland Schoolhouse in San Antonio, TX. The 3in1 Training Course commenced on June 9th 2014 and was completed on June 12th 2014. During the training, the 52 Contracting Officers successfully placed an order using the 3in1 device, uploaded orders from device to workstation, and cleared orders in the 3in1 Training environment.
